

Benefits

The proposed changes would benefit the community by providing:

- A simplified network with a reduced number of routes and route variations.
- A new link from Budgewoi to Wyee to connect with the rail network.
- Altered services that are as direct as possible.
- Additional night time and weekend services to Kariong.

Proposed changes

- For a frequency guide – please go to www.nswbusnetwork.com.au
- The map on the reverse side shows suburbs and their bus routes – please go to www.nswbusnetwork.com.au or call 1800 005 113 to get more information on changes relevant to you.
